We have not had any significant changes in results from last year and all response averages are above 4.5. Some positive specific customer responses were:

- By and large you do a fine job for us, and are pleasant and responsive. I feel like everyone there knows where my order is at any given time without having to organize a search party and that is much appreciated in this day and age.
- We've always been very happy with the quality and service.
- Ace provides us with exceptional service. A strong relationship has been built between us. We look forward to this continued relationship.
- Very pleased with the overall quality, customer service and pricing.
- The team at Schram/Ace Grinding are outstanding. Thank you for the excellent service you provide us.
- Our company feels that Ace Grinding is doing a great job, is easy to work with and helps rush orders when needed.
- 5+++ for Emergency Response
- 5+ for Emergency, Customer Service and Overall Performance; Always a please, service is great. We appreciate all the hard work.
- I am pretty pleased with the service provided by Ace Grinding.
- Keep up the excellent work everyone @ Ace Grinding is great to work with
- Great Supplier/Great Staff -John Jr. @ Roberts Swiss
- Excellent supplier - quality, cost, delivery are great!
